

ADDITION & SUBTRACTION FLASHCARDS

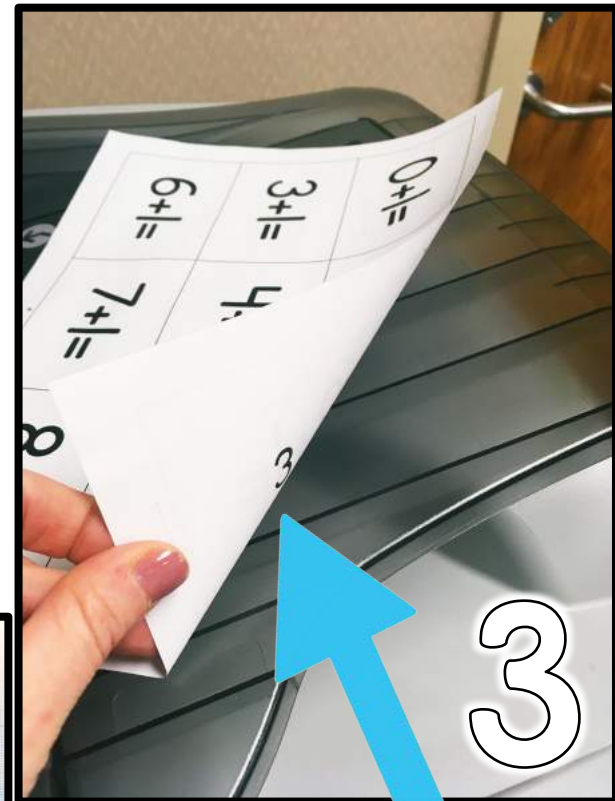

NO FRILLS FLUENCY

ERIN WATERS

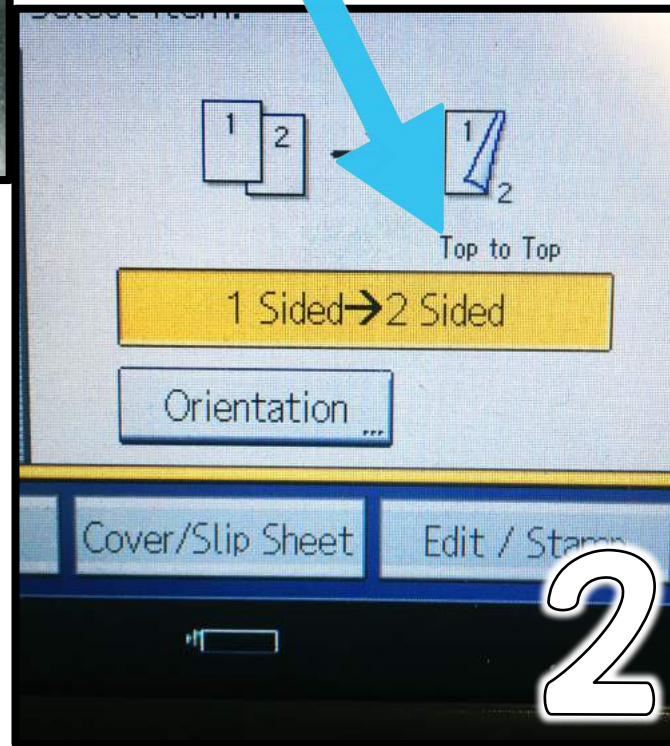

Easy to Copy

Select the copier setting to copy the papers from single-sided to double-sided. Collate if necessary.

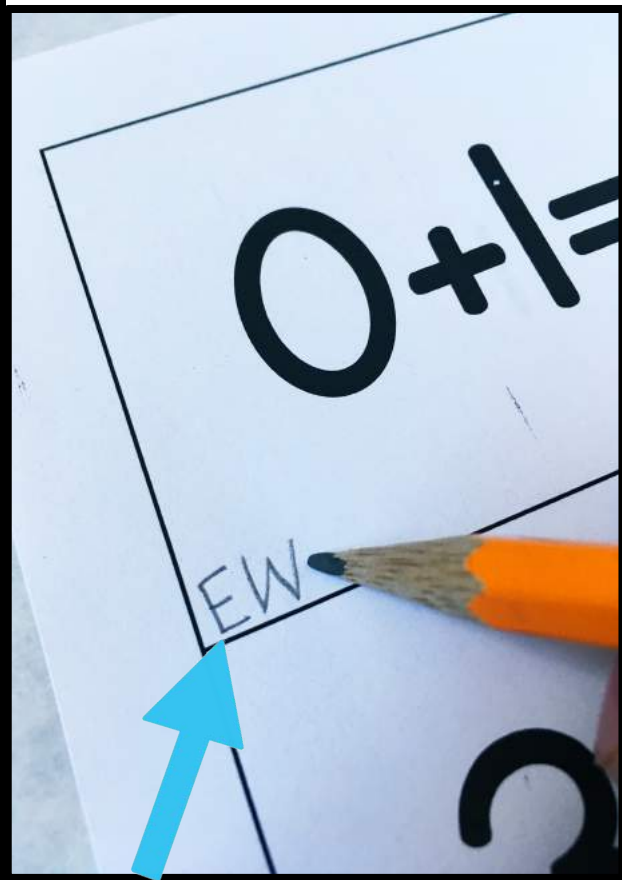

Put the papers onto the copier face-up and with the asterisks aligned. This way, you know for a FACT that they will print correctly.

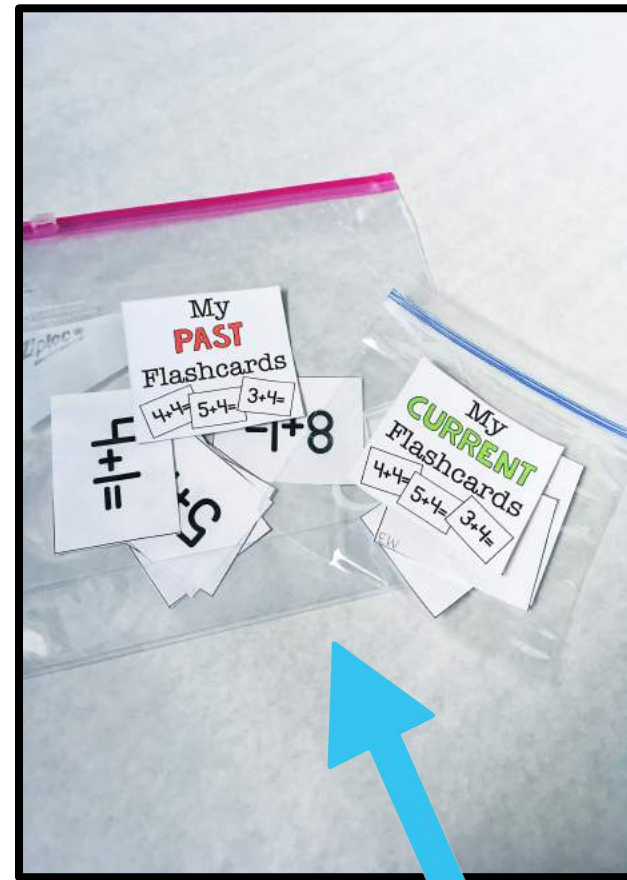

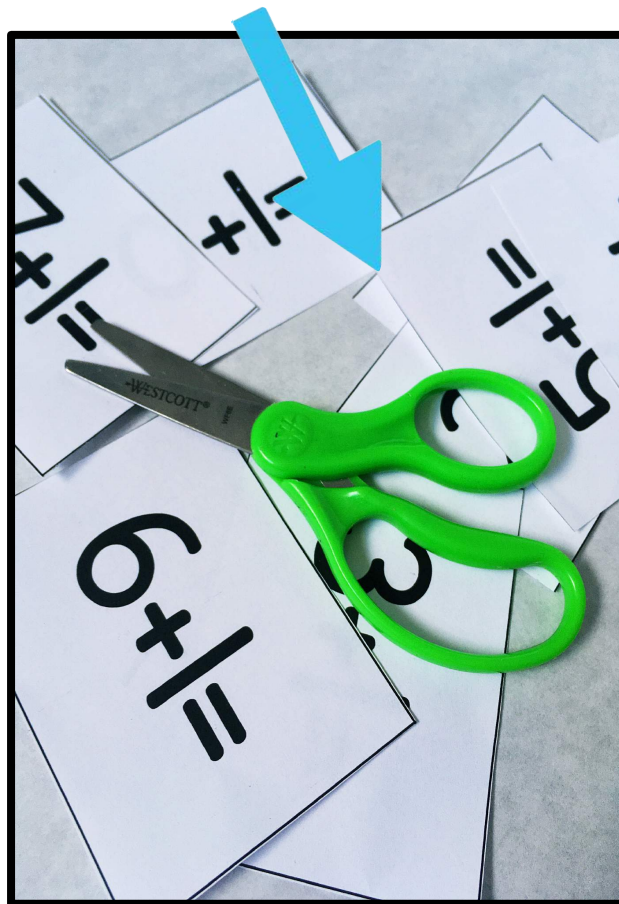

The answers will print on the back of each card. See next page for student assembly instructions.

Easy to Assemble

Students initial each flashcard in case any get lost.

Students cut the cards out.

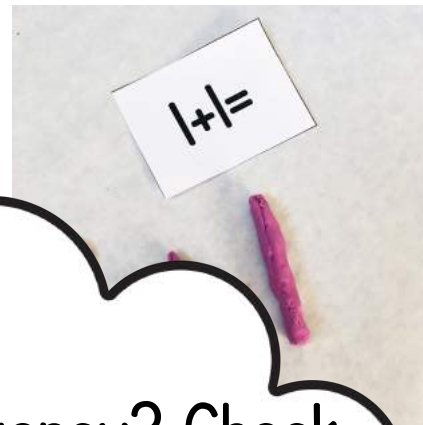

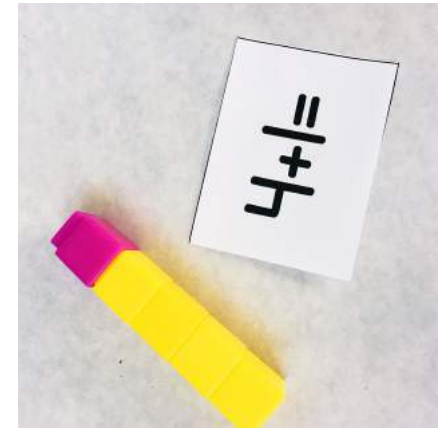

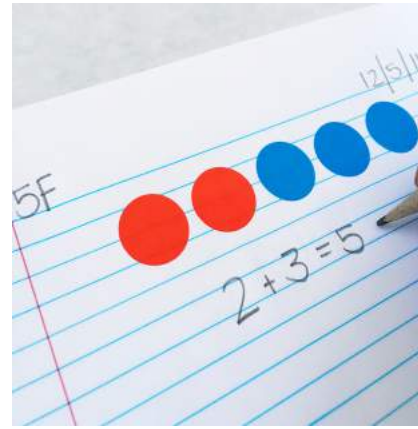

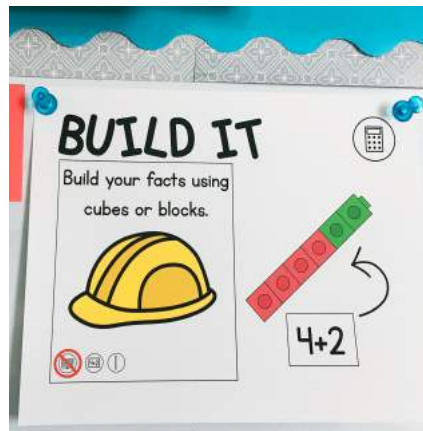

Place old cards in big bag & new cards in small bag.
