Build a Letter

Teacher Preparation: Print cards on cardstock or colored construction paper. Laminate and cut apart. Store in plastic bag.

Student Directions: For 2-4 players. The goal of the game is to build a complete letter that includes all letter parts (Date, Dear, Greeting, Body, Closing, Signature). Students place cards face down on the floor in the play area. Students sit in a circle and take turns drawing one card at a time. If a player chooses a letter part he/she already possesses, the card must be placed back in its original spot. If a Letter Larry card is chosen, the player can use it as a wild card to fill the spot of any letter part he/she chooses. The first player to collect all letter parts is the winner.
