## TEACHER TIPS FOR IMPLEMENTING

---

- We use Knockout all year round for all subjects & topics (check back soon for language arts, social studies, & science-themed Knockout!), so at the beginning of every week, we choose new Knockout teams. During this time, we choose fun team names and start a new scoreboard for the week's Knockout tournament.
- It's great to save the entire folder of games to your desktop; this way, students can access the files on their own during stations or indoor recess and they are just a click away whenever you need them!
- In our classroom, I gradually released responsibility to my kids to play independently during indoor recess or stations. I chose a "coach" who was the only one allowed to control the slides.

## THE RULES OF THE GAME

### GOAL:

- To be the team with players left
  - To have FUN!
- To challenge our brains!

### WE WILL:

- Encourage each other
- Be good sports, win or lose
- Try our best
- Keep the noise level down so answers can be heard

### WE WON'T:

- Make others feel bad for wrong answers
- Be poor sports, win or lose
- Shout answers out or talk while others are playing

## THE RULES OF THE GAME

1. Divide your class into 2 groups.
2. Each group forms 1 single file line in front of the board where the game will be displayed.
3. Display the intro slide. When players are ready, show the first game slide. The player who says his/her correct answer first wins and gets to rejoin their team at the end of his/her line. The player who does not say his/her correct answer first is out and must join the "bench."  
Play continues as usual unless...

# KNOCKOUT

EXPECT THE UNEXPECTED!

Both players are out and must go to their team bench to cheer on their teammates.

Both players stay in without having to answer a question. They return to the end of their lines to keep playing.

EXPECT THE UNEXPECTED!

One player is out and must go to their team bench to cheer on their teammates. The other player stays in and returns to the end of his/her line to keep playing.

## WHAT IF...

---

...Somebody shouts  
out the answer and  
it's not their turn?

Then...  
You're out!

...Both players  
answer correctly at  
the same time?

Then...  
Play continues to the  
next slide.

## WHAT IF ...

---

...Teams are uneven?

Then...

The first-however many people are missing-to get out get to go right back in the game.

...I don't have fun?

Then...

Just kidding, that won't happen!
