saying?**

BEST MORNING WORK EVER!!!! My kids LOVE this and it doesn't ever get old, because each day is so different!!!! I can also see how much their writing skills have improved because they do this morning work everyday!!!! Thank you for saving my mornings!!!! :-)

-Amy G.

This is probably one of my all time favorite purchases on TPT. I use them during my literacy centers for a quick and independent writing station. I have always struggled with getting my kids to do writing independently. But these are the golden ticket for meaningful writing in a short time.
